

Dear Potential Sponsor,

Animal hospice and palliative care is one of the fastest growing movements within the veterinary medical and animal care profession. The International Association for Animal Hospice and Palliative Care (IAAHPC) is leading this emerging discipline of pet end-of-life care. The IAAHPC's focus includes developing detailed guidelines for recommended practices, offering training and certification programs for veterinary, social work, and other animal hospice and palliative care professionals, supporting research, and developing business tools for service providers.

The IAAHPC is pleased to announce our 9th annual conference, a 3-day event hosted from October 4-6, 2019, in Chicago, IL.

By aligning with our conference, your company and its services will have exposure to approximately 300 attendees (*veterinary professionals, practice managers, mental health/social workers, after care providers, and more*). Your products and services make a difference for pet patients and their families, during times of life-limiting illness, through death and beyond with supportive care for loved ones. Let us help you promote your services to those who need it most.

Please review the 2019 IAAHPC Conference Sponsorship and Vendor/Exhibitor levels.

Thank you in advance for your participation. We are so fortunate each year to welcome companies like yours to this wonderful event. The IAAHPC members and conference attendees appreciate your devotion to our mission.

Sincerely,

Erin McNerney
IAAHPC Conference Coordinator
